## CHALKBOARD & DRY ERASE DOORS

The Millennium Collection offers magnetic chalkboard and dry erase options in their Ovation and Encore lines. Just as with Millennium's split door mirror program, now a chalkboard/dry erase can be on one side matched with any of over 140 standard designs or customized to match your project on the other side. These innovative doors are great for kids' rooms, pantries, closets, workshops or family message centers.

Ovation construction allows even more design options by allowing arch or eyebrow panel design on the chalkboard/dry erase side. When coupled with sticking options, such as round, square or no sticking, you have design flexibility in a stile, rail and panel type application.

For a traditional router carved application, chalkboard/dry erase are available in the Encore line. Available in foam or solid core, Encore offers a lighter weight alternative with even more standard designs available for split construction.
