

Manufacturers' Certification Statement Example Form

For Energy Efficiency Tax Credits

Manufacturer Name:

Manufacturer Address:

Street:

City:

State:

Zip:

Exterior Door Product Description:

Make:

Model#:

This door is an Eligible Building Component that qualifies for the 25C Residential Energy Credit as defined by IRS Form 5695.

Qualifying International Energy Code Climate Zone:

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.

Print Name:

Signature:

Title:

Company:

Date:

Note: Exterior doors that meet the requirements of the IECC energy code but do not carry a Manufacturer Certification Statement may still be eligible for the tax credit. When a Certification Statement is not included with an eligible product, it becomes the obligation of another party (e.g. distributor, retailer) to certify that the product meets the requirements for eligibility and compile documentation demonstrating eligibility.
